

# EPIC QUEST FOR KNOWLEDGE

## HOW TO USE THE HUB IN YOUR DEVELOPMENT PLAN

You're ready to own and pursue your personal development quest and you know the Hub is your first stop for all the resources you need. So how do you integrate it into your Development Plan?

**STEP 1.** Explore the Hub and find resources for your development, selecting and searching by competencies or by appropriate keywords

**STEP 2.** Make a plan with the selected materials and identify which resources you will review and according to what timeline

**STEP 3.** Review the plan with your manager and see how it fits with your job assignments

**STEP 4.** Schedule regular time on your calendar for your development and get to work!

# TRICKS TO DEVELOP YOUR HUB HABIT

## DID YOU KNOW?

The Development Hub is the latest productive habit that successful leaders across Gilead implement to enhance their development and performance. If you want to make a good habit stick, consistency is key.

## HERE ARE A FEW TRICKS

Participate in the Hub Quest because it's a fun way to jump-start the habit

Equip yourself with the right gear like tool cards to manage energy or prioritize time

Establish your travel speed by carving out routine time to navigate the terrain

Spread the word to fellow knowledge questers of your epic discoveries

Seek out as much knowledge as you can find

Practice valor by committing to pursuing a new learning

**REMEMBER, PRACTICE MAKES PERMANENT**
